DXW-18R

18" Round Pizza Warmer

The DXW-18R counter top pizza warmer by DoughXpress Pizza is the ideal solution for maintaining optimal temperatures when serving fresh hot pizza-by-the-slice. Its heavy duty stainless steel construction and aluminum heated surface provide efficient, even heating across the surface. The DXW-18R is an easy, affordable way to offer the convenience of self-serve pizza at the perfect temperature.

Counter Top Pizza Warmer:

- perfect add-on to any DoughXpress Pizza Press for displaying and maintaining hot, fresh pizzas
- quick heating elements for efficient even surface heating
- durable 1" thick heat casting
- release agent applied at factory for non-stick warmer surface

Production:

- maintains optimal temperature for pizzas up to 18" in diameter

Use:

- DXW-18R is easy to use... simply turn on power and place baked pizzas on surface to keep warm. **NOTE: Warmer not to be used for grease producing food items**

Labor:

- warmers require no skilled labor
- warmers are safe and have no age requirements
